

BRIGHT OPPORTUNITIES AT WAM

Walker and Martin are looking for bright, talented and enthusiastic Part 1 and/or Part 2 graduates to work in their London Office.

You will be working alongside the Partners on a variety of interesting design orientated projects and the occasional competition. You will need to show us advanced CAD drafting and 3D skills using AutoCAD, SketchUp and Photoshop. A knowledge of InDesign and illustrator would also be beneficial.

Please send CV and work examples to
